

# BETTER MOBILITY TODAY

## GUIDANCE SOLUTIONS

### WHAT?

ENGIE handles **the installation and integration of systems that guide** cars to available spaces in parking lots.

### HOW?

- As an integrator of technological solutions, ENGIE sets up systems for guiding cars to available spaces in a parking lot.
- Relying on a long-standing network, the group selects high-quality technologies that it integrates, installs and operates according to the client's needs.

### FOR WHOM?

- Municipalities,
- Companies,
- Car-park operators,
- Shopping centres, airports, train stations, etc. that manage their own parking areas.
